

September Book Report
Realistic Fiction

Dear Parents,

For the month of September your student is required to read 20 minutes a night. At the end of the month each student will be responsible for completing a book report on a chapter book he or she read. The book must be a REALISTIC FICTION chapter book around 120 pages long.

Students need to tell the title of their book to their teacher by **September 5th**. The book report is due on **September 30th** and is worth 50 points. When your student has finished reading his or her book, he or she will make a Character Traits Chart as shown on the back. If you have any questions please let us know. Thanks and have fun!!
